

# CTE Day at the Capitol Arkansas State Capitol Rotunda

February 27, 2023  
10am - 12pm

Please join us in celebrating Career and Technical Education month with a showcase event of all Career and Technical Education Programs. Come visit with Career and Technical Student Organization State Officers and CTE Teachers as they share how CTE in Arkansas is cultivating pathways for success.

Schools from all over our great state are showcasing their CTE programs to their communities. These showcases are intended to increase awareness of Career and Technical Education opportunities both within CTE courses and Career and Technical Student Organizations. Showcases are also a time to spotlight students for their achievements within Career and Technical Education!

We hope to see you there!
