VISION

2022 INNOVATION RALLY

September 26-27, 2022
Hot Springs, Arkansas

Join the Office of Innovation for Education and Innovators from across the state and nation to: *#LIVEyourvision.*

When was the last time you thought about the future rather than living day to day just to survive teaching and leading during the Pandemic?

Take time to rejuvenate and reconnect with your vision for the future you want to have for yourself, your learners, your school, and your district at the 2022 Innovation Rally.

Learn how to live your vision with courage, tenacity, and confidence. We will dive into how Joy, Growth, Connection, and Success lead you to live your vision every day!

Join us at the Annual Innovation Rally to dive into what it means to truly ***Live Your Vision!***

SEPTEMBER 26-27

Hot Springs Convention Center, Hot Springs, AR

Rally Theme

Live your vision: To vision is to plan boldly and creatively—to see the future you want to have for yourself, your learners, your school, or district. We will dive into how the four pillars of Joy, Growth, Connection, and Success lead you to live your vision every day!

The Four Pillars:

Joy: Create magical moments -

What might you do to make everyone want to come back each day?

Connection: Prioritize people -

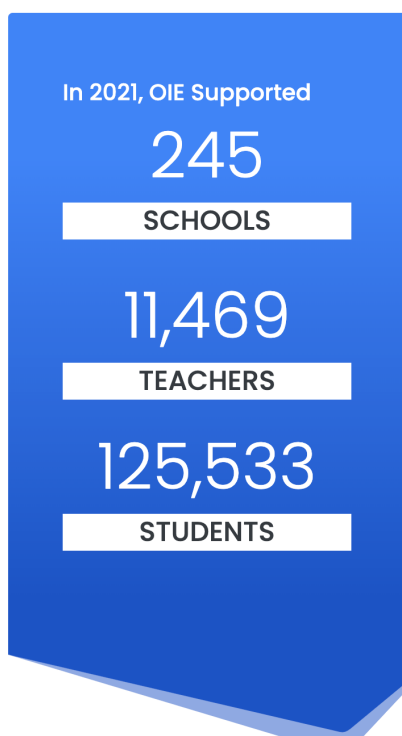

What are some ways to ensure all belong and have an impact on your learning community?

Growth: Inspiring extraordinary growth -

What are some ways you support remarkable growth for all learners?

Success: For each and every person -

What might be some intentional efforts that prepare learners for their next steps and the future?
