Administrators,

Given the current global environment, we are reaching out to our school partners who share in the development of our DOW dependents. Especially as the Month of the Military Child approaches, we encourage you to consider a few items with heightened awareness when planning events expected to attract or highlight DOW members and their dependents:

1. Please be more aware of social media comments regarding DOW members and current global environment. Report any concerning or threatening comments to local police departments or LRAFB SFS/OSI at (501) 987-3221.
2. When planning events consider distribution of the information to your internal networks. If able, consider not advertising on school marquees, social media, or through local news outlets.
3. We ask that you wait to post photos and videos until after the event, as pre-publishing information increases risks. Additionally, we ask that you highlight military members and school staff in posts, but not our specific family members in external communications.
4. Have security/local law enforcement present as a deterrent to those who might have ulterior motives.
5. Consider indoor events, and if not feasible, limit points of entry to your events to only what is necessary.

We thank you for your continued support and investment in our children and families. If you have any questions or concerns, please contact the LRAFB Antiterrorism Program Manager, Mr. James Wells, at [james.wells.37@us.af.mil](mailto:james.wells.37@us.af.mil) or by phone at 501-987-6294.

Respectfully,

ROBERT C. IPPOLITO, Maj, USAF  
Commander, 19th Security Forces Squadron
