## **Learn, Implement, Empower**

Join us this Fall for two full days of programming as we learn from some of the nation's leading educators, researchers, and practitioners about what it means to be student-focused and teacher-led! The Student Focused Teacher Led Conference (SFTL) is an annual event organized by the Arkansas Division of Elementary and Secondary Education, Arkansas State Teachers Association, Bright Futures USA, and The Reform Alliance. Whether you are a teacher, an administrator, a counselor, or a school psychologist, you will walk away from this two-day event empowered with research-based practices and resources that you can take back to your school and implement.
